

## UURR Global Human Development Program for Asian Manufacturing Industry 2013 in Iwate

**Organized by:** Iwate University, UURR Project Team

DATE	ACTIVITIES*
February 21 (Thu), 2013	08:30 Hotel Pick-Up 09:00 Opening Ceremony & Orientation (at Multi Usage Room, Iwate University) President Speech: President Mr. Katsumi Fujii 09:40 Lecture by Vice President Mr. Akira Iwabuchi of Iwate University, “Production & Human Resource Development in Japan and Asia” 10:50 Lecture by Professor Wang Minjie, Dalian University of Technology (translated by Professor Jiang Kaiyu), “Survey of Mould Industry & Technology of China” 11:50 Taking Picture 12:00 Lunch (for students, please eat lunch on your expense in the University Student Restaurant)
	12:00 Lunch-on-Meeting on Establishing the Asian International Education and Research Alliance on Die and Mold Technology (only for teachers) Moderator: Vice President Iwabuchi
	<International Research Collaboration Seminar on Molding & Casting in Asia> Language: English Moderator: Associate Professor Yasuhiro Yoshino, Iwate University (Each presentation on research for 20 minutes and Q&A for 5 minutes) 13:00 Opening 13:05 1. Casting: Professor Sadato Hiratsuka, Iwate University “Introduction of Research Center of Casting Technology, Iwate University” 13:30 2. Molding: Associate Professor Jiang Kaiyu, Dalian University of Technology, China “Research of Molding Technology in Dalian University of Technology” 13:55 3. Casting: Professor Li Tingju, Dalian University of Technology, China “Application of Electromagnetic Field during Casting Process” 14:20 4. Molding: Associate Professor Humihito

Nishimura, Iwate University  
"Optimum Design of Multi Stage Deep Drawing Process"

14:45 Coffee Break (20 minutes)

15:05 5. Casting: Professor Ha-Young Kim, Hanbat National University, Korea

Students' Presentation:

1) Byeong-Seon An, 4 grade student, co-authored by Prof. Beong-Young LEE and Prof. Ha-Young KIM

"Soldering Program in Semiconductor Process"

2) Ahiale Kwame Godwin, M2, co-authored by Prof. Yong-Jun OH and Prof. Ha-Young KIM

"Constraints of Mechanical Property in Weld Joints"

15:30 6. Molding: Dr. Ahmad Razlan Bin Yusoff, Deputy Dean, Faculty of Manufacturing Engineering, Universiti Malaysia Pahang, Malaysia

"Three Dimensional Blow Molding"

15:55 7. Die, Hot Press Forming: Mr. Mohd Zairulnizam Bin Mohd Zawawi, Universiti Malaysia Pahang, Malaysia

"Hot Press Forming"

16:20 8. Casting: Mr. Uchidate Michimasa, Iwate University

"Water Lubrication Using DLC"

16:45 Closing

18:00 Welcome Party (Buffet Style) at "In-Season" Restaurant in Iwate University

20:00 Back to the Hotel
